## Summer 1 2025

We hope you all had a fun and relaxing Easter break. We have a very exciting term ahead of us! This half term, we will continue to place a big focus on the multiplication check which will be

carried out the week beginning 9th June. To support this, we encourage the use of TTRS at home as often as possible. Please use the children's heatmaps to focus on quick recall of multiplications that are not yet green. Parents will be invited to a Multiplication Check meeting on Tuesday 29th April. The children will continue to be taught by ourselves as well as Miss Webster throughout Summer 1. 4PJ is supported by Miss Friend and 4SM is supported by Mrs Dobson. Please refer to the change of PE days below. The swimming days will remain the same. If you have any queries, please don't hesitate to contact us!
