All children at Clapgate can choose to have either a packed lunch brought from home or a school dinner. This choice can be made daily, but all school dinners must be chosen through Arbor before the start of the school day.

As part of the government's universal free school meals scheme, children in Reception to Year 2 are entitled to a free school meal.

If a parent of a child in Nursery or KS2 chooses school meals for their child, then these must be paid for unless they are entitled to claim for free school meals. If parents wish to find out if they are entitled to free school meals, they will need to contact Leeds Benefit Services on 0113 222 4404 or online at leeds.gov.uk and they will inform the school if their child is eligible.

If a child is not eligible for free school meals, payment for school dinners can be made via Arbor. The cost of a school dinner is:

- Nursery £2.48 per day
- Key Stage 2 children (Years 3 to 6) £2.76 per day

Payments can be made daily, weekly, fortnightly, monthly or termly but must be paid on Arbor.

If a child forgets their packed lunch, a school dinner will be provided for your child. This will always be the vegetarian option and will be charged to your Arbor account.

If parents owe more than two weeks' lunch arrears, school will contact them by email to make them aware of the arrears owed. Parents that owe more than three weeks' lunch arrears will be contacted by telephone to arrange a repayment of the arrears and will be asked to provide a packed lunch for their child until the balance is cleared. Arrears over four weeks will be passed to the Finance Department at Leeds City Council.

If a child arrives at school late (after 9:00am) they will not have the choice of the full dinner menu and will be given the vegetarian option unless their dinner has been pre-ordered on Arbor.

Snacks, Fruit and Milk Provision

In line with the School Food Standards and Early Years Foundation Stage (EYFS) Framework and Nutrition Guidance, children in the EYFS are provided with a healthy morning snack of toast upon entry to the classroom each day.

All children in EYFS and KS1 receive a piece of fruit or vegetable each day through the government's Free Fruit and Vegetable Scheme.

Children under the age of five are also entitled to a free daily carton of milk. Once children turn five, parents may choose to pay for their child to continue receiving milk through the school's milk scheme.

Packed Lunches and Additional Snacks

As a school, we follow the guidelines set out in the School Food Standards. These standards apply to both children who have packed lunches and those who have school dinners. If a child brings a packed lunch, red food items should rarely be included, while orange food items may be included occasionally as part of a balanced meal. We ask parents to carefully consider the contents of their child's packed lunch, as diet can have a significant impact on learning, behaviour, and concentration in the afternoon. If we have concerns about your child's diet, we will contact you.

Children can bring a snack and drink (water or sugar-free cordial) with them to school, and these also follow the same food standards as lunch. Healthy snack and drink suggestions can be seen on our 'Healthy Snacks' poster.
