

Autumn Term November 2025 – December 2025

We hope that you and your children enjoyed the October half term! We are excited to see your children again! We hope that your children are now familiar with the routines and expectations in year 5 and we hope they are looking forward to returning to school! This half term the children will be going on residential 😊 We hope this will be the highlight of their year!

As always, if you have any questions or concerns, please feel free to pop into school or email your child's class teacher.
