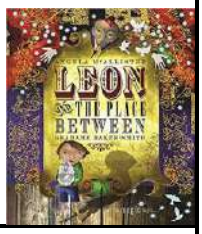
Autumn Term
October 2026 - December 2026

We hope that you and your children had an amazing half term! We are happy to welcome your children back to school for a fun filled half term!
We hope that your children are now well-settled into year 4 and are ready to learn.
If you have any questions or concerns, please feel free to pop into school or email your child's class teacher.

Many thanks, Miss Phipps and Miss Naughton 😊

Writing lessons:
We have now begun our book 'Leon and the place between'. This story will provide the children with inspiration to write their own portal narrative. The children are really enjoying the magical aspect to this story and we can't wait to see how the book influences their creativity in writing.

The children will be writing their own story and a persuasive report encouraging people to visit a magic show.



Weekly Calendar:

Tuesday
- P.E.- Please send your children to school in their PE kit on this day.

Wednesday
- Swimming- please ensure your child brings their swimming bag into school. This should contain a swimming costume/trunks, a towel and goggles if your child wants to wear them.

Thursday
- Bring book bags to school.

Friday
- Books bags sent back home.
- Outdoor learning- please send children to school in suitable footwear and coats.

You can help your child by:

- Listening to them read 3 times a week and complete reading records.
- Supporting them with practicing their spellings each week.
- Allowing them to carry out any extra research at home. This can be linked to our geography and science topics.

This half terms learning:

Geography
Rivers

Science
States of matter- children will discover the difference between solids, liquids and gases.

Computing
Auto-editing- children will learn how to record and edit sound.

PSHE
Celebrating difference- the children will understand how we can celebrate everyone and their differences.

RE
How do Jews use stories to remember God's covenant?

PE
- Symmetry, Balance, Travel- children will develop flexibility, strength, control and balance.
- Swimming

Art
Sculpture

DT
Food tech- healthy and varied diets.

Spanish
Presenting myself.
