Year 6 Newsletter

Autumn 2

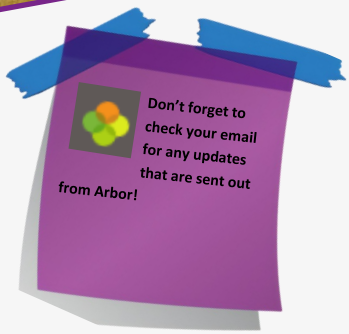

Welcome

We hope the children have had a lovely half term holiday and are ready for their second half term in year 6! All of the staff are so excited to work with the children and make their final year of primary school memorable.

This half term is going to be action packed. In the run up to Christmas, we will be covering a range of topics such as Evolution in science, Celebrating Difference in PSHE, The United Kingdom in geography and Christianity in RE. Throughout the half term, children will also continue with music and outdoor learning.

This half term your child will be taught by class teachers (Miss Brennan, Miss Jessop, Mr Yeadon and Mrs Watson) alongside our teaching assistants - Miss Friend and Mr Robins. Miss Webster (art teacher) and Mrs Clark (PE teacher) will also be covering lessons. If you have any questions, do not hesitate to contact us on our school email or ring the school office.

This half term we will:

- Learn about The United Kingdom.
- Learn how to tie different knots and whittle wood.
- Read and analyse a variety of rich texts in guided reading.
- Recite and perform The Magic Box by Kit Wright.
- Learn how to add, subtract, divide and multiply fractions.
- Be gymnasts.
- Understand how to keep ourselves safe online.
- Create a web page.
- Learn how to say items around our homes in French.
- Listen to raps and create our own.
- Research evolution and how it has impacted life today.

You can support your child by:
